

A Michel Rhode has left over 100 messages on my answering machine, despite my registration with the do not call list. It is clearly an automated phone message. I would like to register a complaint against his organization. The message is to call back on this "urgent personal matter". The phone # is 1-800-695-9134.

Thank you for your assistance. This is truly a menace.  
Sincerely, Dr. Elizabeth Caron
